

On Friday, June 16, 2023, the Canfield Cross Country Teams are hosting the Twilight Run 5K! It is an evening race that starts and ends at the Canfield High School stadium. Runners will be encouraged to dawn glow sticks and glow in the dark paint. We are asking local businesses and community members to show support for these young athletes by providing sponsorship or by making a donation to this worthy group of kids. Your support will assist the team with any cost involved in their season.

You can help us by sponsoring our race (sponsorship levels attached), and/or by donating approximately 200 items for our runner's swag bags (given away to all race participants). Donated items can include coupons, samples, small items with your company logo, etc. Sponsors will receive recognition throughout the race, on our participant T-Shirts, as well as throughout our 2023 season!

Attached you will find the sponsorship/donation form. All levels of support are available and descriptions are listed. Every dollar and item truly makes a difference and is greatly appreciated. We are confident this can be our biggest turnout to date with your help! Please submit forms by Friday June 2, 2022, to ensure proper time for logo printing.
